A Note from the Principal . . .

Happy New Year to all parents and students!!!

Another Fall has quickly turned into winter. It has been a fantastic start of the year. Your children have been working so very hard throughout the first four months of school. We look forward to meeting with you in February at our next round of conferences.

Your child will be taking our district assessments for Reading and Math during the month of January. Our MAP (Measures of Academic Progress) assessments, also known as NWEA, are given three times a year. You will hear the results of these assessments at your Parent Teacher Conferences. Please look for communication from your child's teacher about the specific day of your child's tests and help them make these assessments an important priority.

If your child rides the bus, but you would like to pick your child up after school, please call the office, and we will get a message to your child's teacher. Please notify the office before 2:30 pm, so we have ample time to deliver your message.

Each classroom has been asked to bring a bag of canned goods as a donation to the Faribault Food Shelf.
